Suit For Money

Now into Court appears Carolyn R. Johnson and Timothy R. Johnson appears as a residence of the Parish of Claiborne, State of Louisiana with respect represents to wit:

1.

Defendants are guilty of neglecting Patient causing sores that results in serious infection causing the

death of the patient. Infection completely overcome patient's body. Sores were on the feet, in the sides to view bones, on hip. Patient was quarantined because of severe infection.

2.  
The staff of the Certified Nursing Assistance was lazy not enough aids in the floor. There was one aid on a complete floor to take care of all of the patients. The CNA's was very lazy and did not care. CNA's failed to turn the patient because the patient was inactive.

3.  
A copy of the medical records show that the sores originated at Menden Medical Center. The Physician was Michael

Chandler who is prejudice. Chandler sent a Certified letter to the patient who cannot read in fact was terminally ill for signature. Dr. Chandler dumped my mother from his care, because he did not appreciate what I informed another doctor about his neglect. The Minden Medical Center physicians in charge of the patient's case failed to address the bad sores in the heels of the patient. The patient was transferred to the Senior Care, really a Psychological ward, because the Psychiatrist physician would always be there no regular physician only when that physician recommend an examination

by the Psychiatrist. The priority should have been the sores, but they were placing that in a non-treating status.

4.

Minden Medical Center and Dr. Michael Chandler are responsible for the death wrongful of patient. Patient became in destitute need of attention to her feet at their facility.

Dr. Michael Chandler should be disbarred from the Board of Doctors, State of Louisiana. The Minden Medical Center should be sanctioned for neglect.

5.

Petitioners pray that the order of this court will be in favor

of the Petitioners and Against the Hospital and the Physician.

Petitioners further pray the defendants be ordered to pay the full and true amount of three millions Dollars \$3,000,000.00 plus attorney's fees plus all cost of court of this proceedings. Petitioners pray that Dr. Michael Chandler be dismissed from practice because of his prejudice attitude from the State Board of Medical Doctors immediately and sanction and fined. It is hoped that the Meriden Medical Center be sanctioned for their part of maintaining the physician employed as a physician when they are aware of this physician's family background being of a prejudice

household of slavery status.  
Hospital should authorize em-  
ployment of such racist to  
treat black patients who he  
will not do his best violating  
his Hippocratic oath. Petitioner  
Pray that before a hospital  
hire any physician, nurse, etc  
they should check the family  
status on race. These people  
will not do the black or  
white patients correct.

SUIT FOR MONEY

DOLLARS PLUS ATTORNEY'S FEES AND ALL COSTS OF THIS PROCEEDING.  
DUE TO NEGLECT, THE PATIENT UNTIMELY DEATH OCCURRED AS RESULTS OF THE  
PHYSICIAN, DR. CHANDLER AND THE NURSE'S AID STAFF WHO FAILED TO TURN  
THE INACTIVE PATIENT TO PREVENT THE CUTILCE SORES TO COME IN THE HEELS

PATIENT. PATIENT BECAME INFECTED WITH BED SORES IN HEELS, FEET SIDES. IN FACT THEY CAME ALL OVER THE BODY AND WAS LATER QUARANTINED. PHYSICIAN FAILED TO ENTERTAIN THE SORES UNTIL THEY HAD GOTTEN INTO A BAD STAGE. AIDES COULDNOT ACTIVATE PATIENT BECAUSE THEY WERE UNDERSTAFFED. IN FACT THERE WAS ONE(1) AID ON THE COMPLET FLOOR OF ABOUT 25-30 PATIENTS WHO NEEDED CARE EVERY TWO (2) HOURS. AS A RESULTS OF THE NEGLECT PATIENT WAS PUT ON A FEEDING TUBE. SHE WAS A BRIGHT, INTELLIGENT LADY BEFORE GOING TO MINDEN MEDICAL CENTER AND ACQUIRED ALL OF THESE DIAGNOSIS.

2

PETITIONER WAS PLACED IN STATUS OF MENTAL ANQUISH, DEPRESSION BECAUSE OF DECISIONS OF PATIENTS MEDICAL OPTIONS. THE MEDICAL STAFF INCLUDING THE SOCIAL WORKER HARRASSED THE PETITIONER UNTO MAKING DECISIONS NOT TRULY FOR THE GOOD OF THE PATIENT. PATIENT WAS PLACED IN FACILITIES NOT GOOD BECAUSE SOCIAL WORKER WAS LOOKING AT THE MEDICAL INSURANCE LENGHT OF PAY STATUS FOR PATIENT TO REMAIN THERE. SOCIAL WORKER WAS SIMPLY PUTTING PATIENT OUT BECAUSE OF NON-PAYMENT FOR BEING HOSPITALIZED BECAUSE DAYS WAS USED UP UNDER MEDICARE/

MEDICAID STATUS. DR. MICHAEL CHANDLER ORDERED THE DISMISSAL OF THE PATIENT BECAUSE HE WAS ANGRY WITH WHAT I HAD EXPRESSED TO A PHYSICIAN WHO WAS NOT A MEDICAL PHYSICIAN AND I INFORMED THE PHYSICIAN THAT THEY WERE NOT SEEING ABOUT THE INFECTION WHICH WAS MORE IMPORTANT THEN HIS MEDICATION RECEIPT. DR. CHANDLER DID NOT APPRECIATE MY INQUIRIES CHALLENGING THEIR TECHNIQUES SO HE DID MY MOTHER WRONG TO GET BACK AT ME AS A BLACK PERSON AND HE IS VERY PREJUDICE PERSON.. HE FAILED TO ACKNOWLEDGE THE HYPOCRATIC OATH THAT PHYSICIANS RECEIVE WHEN THEY ARE GRANTED THE TEST TO BE A PHYSICIAN FROM THE STATE OF LOUISIANA LICENSING BOARD. HE SHOULD HAVE BEEN SANCTIONED FOR HIS ACTIONS WHEN I REPORTED HIM THE STATE OF LOUISIANA LICENSING BOARD DISCIPLINING DEPARTMENT.

3.

THE PETITIONER'S MINDEN MEDICAL CENTER AND DR MICHAEL C. ANDLER,
